GRAB A FORK

## Sweet and Savory Sticks

Makes about 12 - 18 sticks.

### Ingredients

- 1 package of long bread sticks
- 4 ounces of local honey
- 1 – 4 ounce package of sliced prosciutto

### Directions

Cut the prosciutto slices lengthwise into 1 - 1 ½” strips, gently pull the slices apart.

Completely coat 4” of the stick with a thin layer of honey.

Starting at the top of the honeyed end of the stick, wrap a slice of the ham down and around to the end of the honey.

Stand the ungarnished end of the stick into a cup to store and hold while you continue to do the rest of the sticks.

Serve soon after.
